Kaisi ho tum ? Taiwan mein sab kuch thik chal raha hoga, I hope. Tumhe Yaad h 18th April vo din meri life ka best and worst dono h , vo din mere liye bahot important tha. Bahut si cheezein thi jo main us din tumhe kehna chahta tha, us din kuch baate aesi thi jo tumse jaane se pehle share karna chahta tha tumhe itna btana chahta tha ki tumhara dost bne rehna itne time k liye meri life k best moments mei se ek tha, Tumhare saath jo dosti hui, jo bond bana, vo mere zindagi ke sabse precious parts mein se ek hai. Tum mere liye bhot special ho Renuka aur humesha rahogi .Tum bahot intelligent , cute (Ekdum cute panda), smart and charming ho .Tumhare jesi ladki sey mei kabhi nhi mila. Vo kehte h na jab kisi special ladki ko dekh kar dil k andar se awaz aati h ki **“She is the one”**.

Tumhare saath jab bhi baate karta hu mann karta h tumse baate karta rhu humare bich baate kabhi khatm na ho . But Tumhare

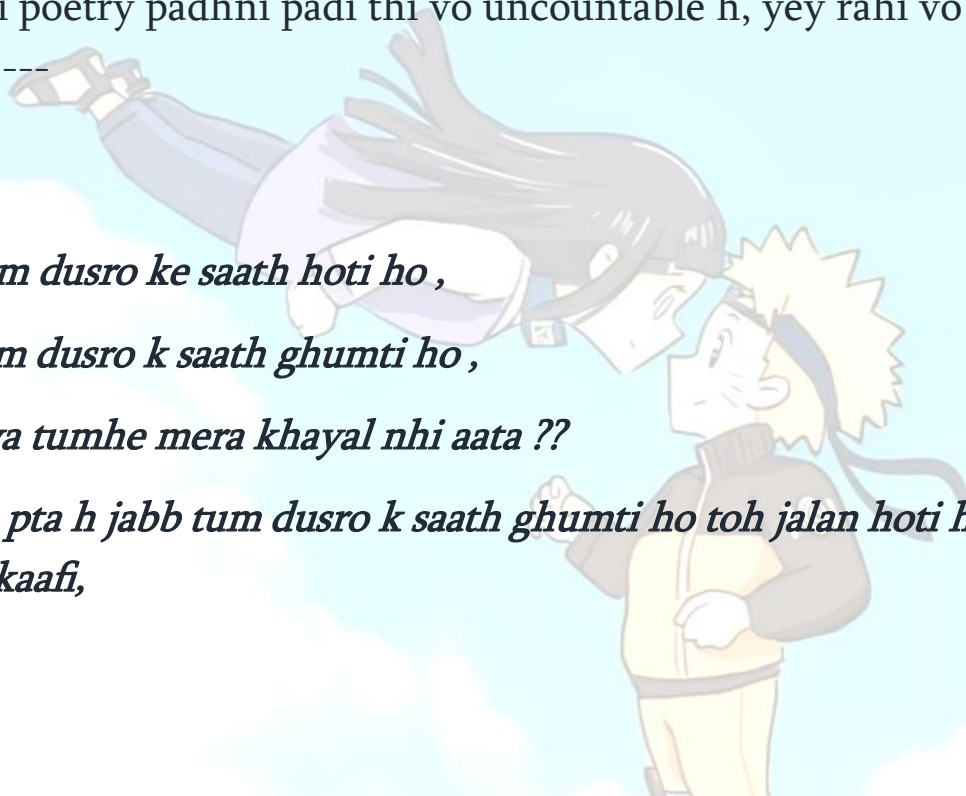

saamne aane pr nervous ho jata tha milne par toh bta nhi sakta kitna aur call par bhi. . Yarr Humare beech jo laughter, jo baatein, jo moments bane, woh sab mere liye priceless hain. Mei tumhe like karne lag gya yrr dhere dhere jese jese baate badi. But uss din ki ending bilkul unexpected thi. Chalo jaane do uss baat ko kuch der k liye , aage baat krte h uspar.....

By the way ,tumhe yaad hai jab humne pehli baar Omegle par baat ki thi? 24th October 2023-- tabb tumhe yaad ho ki mere mic mei problem thi aur mai type karke tumse baate kar rha tha. Humne 3-4 ghante aese he nikal diye tabb , baat karte karte vaqt ka pata he nhi chla, vo incident sochne par he hasi aajati h mujhe aaj bhi, aur tumahre reactions amazing (Bappaa....)OMG epic as ever. Starting mei mujhe laga tha shayad humari baate yahi khatam hokr reh jaayegi, jaise hota hai online chats mein. Lekin tumhare saath baatein badhti gayi, aur har ek conversation ke baad lagta tha humare beech kuch alag hai, kuch special, tumhare saath hui har baat mere liye precious and memorable h. Jabb bhi tumse meri baat hoti thi toh mei apni saari problems and tension bhool jata tha. Tumhe yaad h vo ek poetry jo likhi thi tumahre liye vo likhne mei kaafi time laga tha. Merko sochne mei samjhne mei baaki kitni types ki poetry padhni padi thi vo uncountable h, yey rahi vo poetry----

“

*Jabb tum dusro ke saath hoti ho ,
jabb tum dusro k saath ghumti ho ,
tabb kya tumhe mera khayal nhi aata ??*

*Tumhe pta h jabb tum dusro k saath ghumti ho toh jalan hoti h
mujhe kaafi,*

*but bol nhi sakta,
puchna chahta hu ki kon h yey,
but puch nhi sakta,
tumhe yey bhi pta h ki mujhe pyar h tumse ...
pr kya sachme yey sunke bhi tumhe mera khayal nhi aata??
Bohot mann karta h puchne ka kon h yey log jo tumhe chheen-na
chahte h mujhse,
Mnn karta h tumhe bss apne pass rakhlu ...
Par mei hota he kon hu bolne wala tumhe thodi na pyar h mujhse...
Main kuch nhi keh skta bs akele bethke soch skta hu tumhe,
pr humesha isi baat par ruk jata hu ki kya tum bhi mujhe yaad krti
ho..?
Jitna pass main dur hokr bhi smjhta hu tumhe apne kya tum mujhe
pass hokr bhi itna dur smjhti ho??
kya kami h mere pyar main ki tum mere aage piche walo ko dekh
leti ho pr apne samne ye pyar main doobi aankhe nhi dekh paati??
Bohot swal h mere mann main but chordo yrr bcz I'm nothing to
you and you are everything to me,
...that's the difference..."*

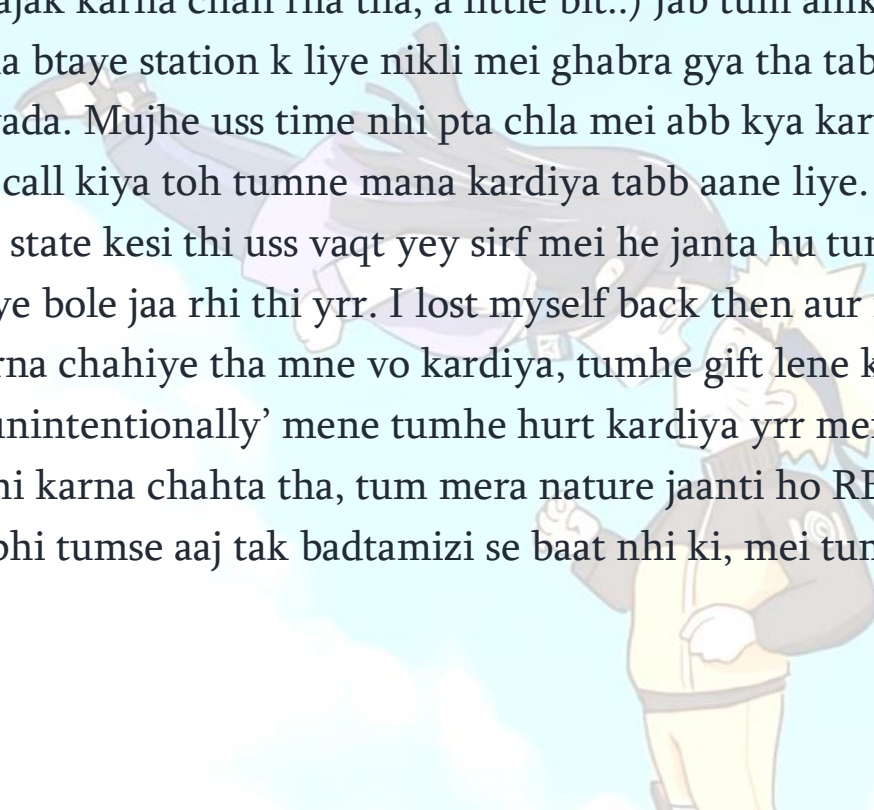

Kesi lagi firse sunkr Umeed h achi lagi hogi. Mai miss karta hu humare beech chats hona ,video call hona, tum apni baate batati aur mai apni. Naye din ke, naye kisse, nayi baate, aaj bhi bhul nhi sakta . Kaash sabb pehle jesa hojaye yrr. Jab tum

call karti aur bolti ki “**tumhe pata h aaj kya hua**” vo sunne k liye kaan taras gye h yrr. Kaash yey sabb aesa he rehta kuch nhi badalta toh behtar rehta. Har roz tumhari photos ko dekh kr tumhe miss karta hu. Tumhe smile karte dekh mujhe bhot khushi milti h. Insta par jo bhi koi story lagata sirf tumhara view dekhne k liye paaglo ki tarah din mai baar baar check karta tumne story dekhi ki nhi, aur instagram par reels share karna is umeed mei ki tumse kuch der baat ho jaaye. Abhi bhi tumhare jaane k baad bhi instagram user ko text and reels send karta rehta hu , How crazy am I , really ?!

Jabb Tumhe Emblem Suite mei mila surprisingly first time mai bata nhi sakta uss moment ki happiness, I can't explain in words, I was so happy on that day, after a long time, because mai tumse milne wala tha for the first time, jabse tumse baate shuru hui - 24th Oct 2023 se lekar 18th April 2024 its fucking 6 months yrr. I was very excited to meet you for the first time. Aur fir hum vaha se Embassy pohoche. I helped you back there because I didn't wanted to see you in any trouble, mei nhi chahta tha tumhare kaam mei koi problem aaye ya tumhe koi problem ho. Aur vaha sey kaam finish hone k baad hum ghumne k liye nikle...

Tumhare saath Qutub Minar jana, tumhare saath ghumna bilkul ek dream jaisa tha mere liye, ha hum jyada ghume nhi but fir bhi acha laga, vo pal mai kabhi bhula nhi sakta.. Maine kuch seconds ka ek vlog bhi bnaya tumhare saath kafi funny tha vo, aaj usey dekhta hu toh sochta hu why did all this happen!? whyyy!? Hum kitne khush the us moment mei. I accepted ki meri galti h yrr I'm really sorry yr maaf kardo uss din mall mei jab mene tumhe golden rose diye

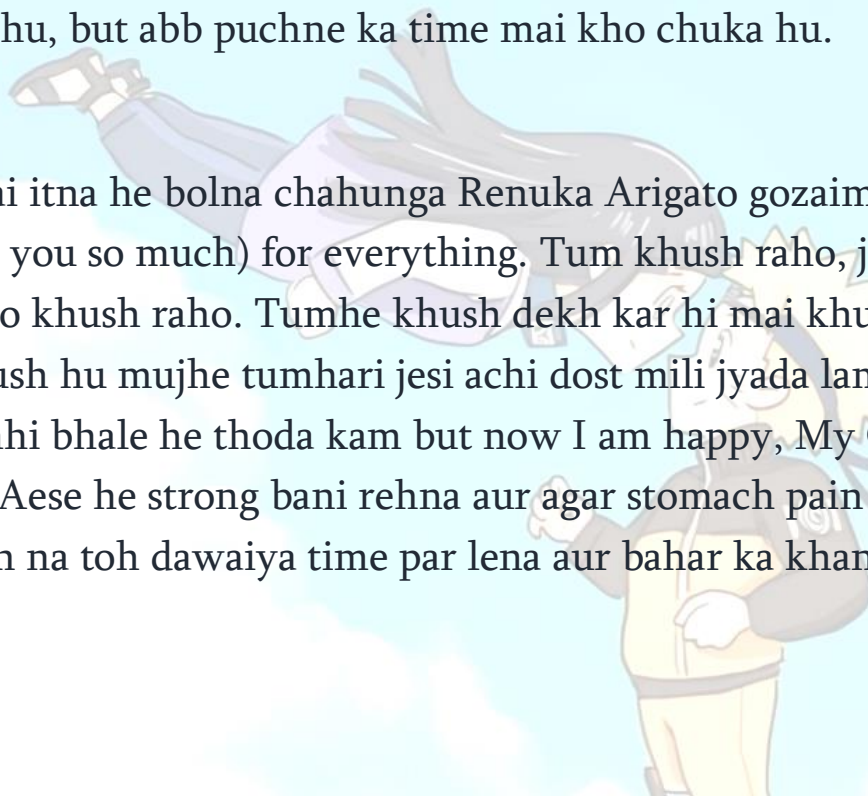

toh mere koi galat intention bilkul bhi nhi the, vo sirf ek gift tha remember tumne ek baar video call par jab hum baat kar rhe thay tabb tumhare paas kisi aur ka golden rose tha aur tumne bola tha ki tumhare pass bhi hota vo soch kar mene tumhe vo gift krne ka socha tha mera tumhe propose karne ka ya aesa kuch koi intention nhi tha ye tum bhi janti ho, ha manta hu mere dil mei tumhare liye feelings h but mei tumhe apni bahot achi dost manta tha Renuka, infact aaj bhi manta hu. Jab hum mall mei the tabb tumhe explain karne ka time nhi mila kyuki tumhare friends bhi saath the vaha, humari baat nhi ho payi openly. Aur tabb sey tumhara mood bhi off tha meri wajah se, tabb mei nhi smjh paya mai kya karu kya nhi. Fir vaha sey hum aniket k ghr gye tumne rest kiya aur fir tumhe maine gift dena chaha kyoki hum uske baad kabb milte only God knows! Unn gifts mei ek K-pop singer ki action-figure thi ek water bottle thi, aur ek BTS ki T-shirt thi but tumne accept nhi kiya vo tumhara birthday present tha yr kyuki tum apne birthday par yaha nhi hoti aur again pta nhi hum milte na milte tumhare birthday par aur dekho aaj tumhara birthday h yey presents mene speedpost karke tumhare address par deliver kar diye hehehe sahi kiya na (Just kidding, majak kar rha hu RB nhi bhje bss tumhare sath majak karna chah rha tha, a little bit..) Jab tum aniket k ghr sey bina btaye station k liye nikli mei ghabra gya tha tabb bhot bhot jyada. Mujhe uss time nhi pta chla mei abb kya karu kya nhi tumhe call kiya toh tumne mana kardiya tabb aane liye. Meri mental state kesi thi uss vaqt yey sirf mei he janta hu tum mujhe bina Bye bole jaa rhi thi yrr. I lost myself back then aur mujhe jo nhi karna chahiye tha mne vo kardiya, tumhe gift lene k liye force kiya, 'unintentionally' mene tumhe hurt kardiya yrr mei tumhe hurt nhi karna chahta tha, tum mera nature jaanti ho RB, mene kabhi bhi tumse aaj tak badtamizi se baat nhi ki, mei tumhari

bohot respect karta hu and you know that very well. Vo cheez mujhe baad mei realize hui ki mene sabb kharab kar diya, maine humari dosti khatm kardi, mujhe maaf kardo Renuka agar ho sake toh. Jo bhi hua uss din mai nhi chahata tha vaisa kuch hota, mujhe tumhare decision ki respect karni chahiye thi 18th april ko, I'm really very sorry for what happened, sorry jo bhi scene create hua cause of me. Mai tumhe kabhi hurt nhi krna chahta tha, mai tumhe protect karna chahta tha ki tumhe koi hurt na kare tumhe koi problem na ho but in the end I'm the person who hurt you. Really Very Sorry!! Ha Janta hu ek sorry jo hua vo sbb thk nhi kar sakta but you know me very well I hope you understand.

Chalo jo hua so hua aage ki dekhte h abb yaha tak aate aate kaafi intense hogya note right. By the way tum yey suno, maine yey socha tha ki jabbb hum Maharashtra mei saath hoge toh tumhe propose karunga. Ye mai tumhe pehle bhi shayad bol chuka hu, but firse suno ye lines, jo ye thi ki umeed karta hu tumhe abhi sunkar acha lage (not in that way ohk!) lines - "In the world full of Sakuras, be my Hinata & I will be your Naruto" Kuch baate toh maine isme likhi hi nhi aur vo tumhe saamne bitha kar puchna chahta hu, but abb puchne ka time mai kho chuka hu.

Last mai itna he bolna chahunga Renuka Arigato gozaimasu (Thank you so much) for everything. Tum khush raho, jiske saath bhi raho khush raho. Tumhe khush dekh kar hi mai khush hu. Mai bhi khush hu mujhe tumhari jesi achi dost mili jyada lambe samay k liye nhi bhale he thoda kam but now I am happy, My Cute panda. Aese he strong bani rehna aur agar stomach pain ya koi bhi illness h na toh dawaiya time par lena aur bahar ka khana illness

mei mat khana. Aur ha tumhari internship lagne ki party pending h yaad h na. Tumhari fikr hoti h bhot, apna khyal rakhna. Har dua mei tumhari salmati mangi h Bhagwan se. I miss you a lot. My sincere apologies.

Abb yaha mei yey note khatm krta hu. Now it's time for me to leave.

Happy Birthday You.
